“What I LOVE about the FOILA is its versatility, it does a multitude of lengths, sizes and amounts of folds, or no fold at all, so it really gives my team the ability to have their foils just the way they like them!”
Nathan Walker, Int'l Technical Director, Trevor Sorbie, London

“FOILA saves us a yearly salary on one member of staff as it is so efficient and cost-effective. The FOILA is surely a must for any salon - with 2, 4 or as many as 40 stylists.”
Michael Mehmet, Salon Owner, Tikadi, Essex
